

Disaster Risk and Emergency Management Internship Placement Form

Please submit a PDF of your resume and this form to apply for your internship.

Our Internship Coordinator will assign you to a placement based on the educational background and experience listed on your resume. An international internship provides you with an opportunity to take the skills you have already learned and put them into practice in a new context. Learning a whole set of new skills is not the main focus.

We will also consider the preferences you list below when matching you with a host organization. Consider the types of gear, clothing, interpersonal/technical skills, and level of physical or mental challenge you may face when noting your preferences. Your placement will be locked in and finalized before you begin your internship, but you will have an opportunity to discuss your internship with your host before you arrive.

Name _____

Major _____

Please rank your top three choices, from 1 (first choice) to 3 (third choice), to let us know which type of internship field would best suit you.

- | | |
|---|-------------------------------------|
| _____ Emergency Management | _____ Land Use Planning |

Would you prefer to be placed...

Choose ONE of the following. Please note we cannot guarantee double placements.

- Alone
 With another intern
 Either

If your major is not Emergency Management, Public Safety, Geography, Sociology, Political Studies, or Defense Studies...

Send us a statement outlining your motivation for wanting to participate in this program and how it fits into your academic, personal, or career goals.

In addition to your resume, please also send us any additional information about your skills, personality, or personal, academic or career aspirations that will help us match you with an internship host.

Please also let us know if you have any disability or medical condition. This will not influence your acceptance into the program. The information is used to help our internship hosts understand how they can best support you.
